### We Celebrated ...

Our children of Grade 1 to 5, took up and overcame the challenges posed by the restrictions of COVID19, and came together to celebrate the 74th Independence Day in virtual mode. They turned up for the online celebrations sporting the colours of our Tricolor on their dresses, bands, sashes and even on their faces.

The celebrations commenced with the virtual flag hoisting followed by singing of the National Anthem and National Song. Our beloved Head boy and Head girl beautifully anchored the celebrations and children loved the virtual video showcasing our talented students enactment of different freedom fighters. The children enjoyed the stories and listened attentively to our beloved Head of Institution- Dr. Sarada Chandrasekaran's message which conveyed that we have to accept the new change as it is the new normal.

**CCA – Poems by Our Little Rhymesters**

“Never be rude... Never be bad,  
Never be angry and never be discouraged.  
Always be kind, always be good, always be encouraged  
and always be anger free!  
Let’s share our love, kindness and goodness with our  
planet.”

Anger free in school, because we meet our friends.  
Anger free in school, because we play together.  
Anger free in school, because we share our ideas.  
So let’s be polite to others and share our things.

Anger free in school as we use the magic words.  
Anger free in school as we play jokes with others.  
Anger free in school because we share our food.  
So let’s give respect to teachers and friends.

Anger free in school bus because we share our seat with  
others.  
Anger free in school bus as we stay quiet and do not  
disturb the driver.  
Anger free in school bus as we enjoy our journey to  
home.  
Follow all these rules, these might be helpful to you.  
Follow all these rules, you might become a number 1  
student.

Friends are people, who care for each other  
Friends are people, who understand each other  
Friends are people, who stay forever  
Making life fun, good and better.

Boys at school are all my brothers  
Helping me throughout, like my Mother  
Playing, Sharing and Fighting with one another  
Adding space to our lives, like no other.

Life in school is all about friends and childhood  
Leading us to the path of brotherhood,  
Learning lessons for life, as we grow bigger  
Enjoying every moment, as school life is free of anger.

Friendship is a boon  
That makes our life bloom  
Buds of happiness and fun,  
Makes our life fun.  
Songs of joy and cheer,  
Makes our life easier  
Learning with eagerness  
Makes us fearless  
Future looks bright  
With the torch of learning light  
No pain, No bane, No anger  
This makes me stronger  
Reaching to my potential,  
My school makes me special  
Teachers teach me to,  
Respect, Love and Care,  
Instill belief in me when needed for each other,  
We will always be there,  
So, why fear?

When you’re angry in your class, take a deep breath  
When you’re angry with your friends, give them a hug  
When you’re angry with yourself, sing your favourite song  
When you’re angry on anything, drink a glass of water  
Make more friends, treat them like your brothers and  
sisters  
Keep smiling and spread happiness.

In this planet, on the Earth  
School is the place, where we meet  
There our life begins  
We are friends, but we’re like brothers  
Our heart chooses, friends as brothers  
Anger is the enemy of friendship,  
That will ruin your bond  
So never ever be angry with your friend,  
If you value your friendship,  
Sharing and Caring are the ways  
So let us be cool  
And enjoy your lives.

If the world were of friendship and brotherhood,  
Our schools would be anger free.  
And we would be in the chilling breeze.  
Because everyone is anger free.

We would never be jealous and would be thankful indeed!!  
Our schools would be happy and more.  
If everyone were like brothers and sisters we would never be depressed instead we would be impressed.  
We would never stress as we would be anger free.  
Our life would be calm like the river water as everyone would be anger free.

Our world would be fresh and clean as we would not be so mean.  
The flowers will bloom so will our mood making this a happy world.

We would be anger free so will others too!  
So if our school was anger free everything would be perfect indeed.  
So we must stay anger free.

And the world must be full of friendship and brotherhood.  
To make everything perfect indeed!  
So show gratitude not attitude to everyone you meet even on the street.

And everyone must remember to forget and forgive.  
As we need to have a perfect world.  
So is everyone in with me.

There are many people, that we meet in our lives,  
But only a very few will make lasting impressions,  
On our minds and hearts,  
These people will always listen and talk to you,  
They will care about your happiness and wellbeing,  
They will like you for who you are,  
And they will support you at all times,  
I am fortunate to have you My Friend.

## We Partook in...

Our beloved student Liruthi P from Grade II had participated in "VIVA LA VIDA- Western Music singing competition (genre 80's-90's)" event conducted by "The Deens Academy" on 28-08-2020 and has been awarded with the Third Prize.

Her melodious voice is worth an applause. We congratulate Liruthi and her parents for their support and commitment which brought the laurel to WGS.

## **Teacher's Day**

**“A good teacher is a doctor who heals the ignorance and an artist who inspires creativity.”**

A day, kept aside to honor the gifted souls who work every day to make sure that the future is bright for all of us. We, at WGS celebrated the Teachers Day virtually on September 5, 2020 which was organized by the STUDENT COUNCIL. The celebration began at 8.30am in the morning with the virtual assembly. The program started with a warm welcome by the Primary Co-ordinator Ms. Chitra Kulkarni and Upper Primary Co-ordinator Ms. Asha Kiran Puli, followed by the school prayer. Our Head Mistress of Primary segment Ms. Nina Mukhopadhaya welcomed all the children whole heartedly. The WGS news update was given by Secondary Head mistress Ms. Arpitha Tripathy who updated everyone with all the news about the events and Interschool competitions. The Middle Co-ordinator Ms. Firoza Zoobin Bapooji explained us the significance of celebrating Teacher's Day. It was nostalgic for all the teachers and students when our ever-energetic Head of Institution Dr. Sarada Chandrasekaran addressed the virtual gathering and expressed her gratitude towards teaching and non-teaching staff of the institution. She narrated a story and explained the importance of having trust and faith on each other. The special assembly was concluded with National Anthem..

The students of Grade 10 to 12, took over the classes as Teachers and engaged the children with fun filled activities. The teacher's day celebration started at 10am where in activities were organized for all the teachers virtually. It was a great day of expressing gratitude to teachers and gurus by everyone.
