

# WHITEFIELD GLOBAL SCHOOL

## **Vision:**

Whitefield Global School aims to create new vistas in education that imbibes in our children humanistic values, 21st century skills and help prepare them for future global leadership roles.

## **Mission:**

WGS aims to achieve these goals by creating a nurturing environment that fosters socio-emotional resilience, cultivates values, and instills lifelong learning skills through technology-based teaching and learning systems.

WGS will provide opportunities for children to explore, experiment, experience, and enjoy learning beyond classrooms and textbooks through set processes and supportive resources.
